# Yuck!®

## No Chew Spray

Pets chew for various reasons; teething, boredom, exploration, separation anxiety, and stress. Chewing is a natural animal behavior, the goal is to effectively train your pet to chew on appropriate objects. There is no job too big for YUCK! spray. Quick & easy to apply. Our special water-based formula will not sting and may be sprayed over topical medication.

### Stop pets from chewing on:

- ♥ Blankets
- ♥ Paws
- ♥ Furniture
- ♥ Hot spots
- ♥ Wounds
- ♥ Drapes
- ♥ Manes
- ♥ Tails
- ♥ Bandages
- ♥ Plants
- ♥ Wood
- ♥ And more...

# Outta My Box™

## Deters Dogs From Eating Cat Stools

Outta My Box™ is veterinarian formulated and contains patent pending ProBioStrive™ along with natural active ingredients that provide a dual action process to help your dog kick the cravings.

**Must be given to both dog and cat.**

### For DOGS:

Provides natural ingredients to help your dog lose the cravings for cat stools while helping to maintain optimal GI balance.

### For CATS:

Helps reduce the stool odors making the feces in the litter box less desirable to dogs.

**Available In  
500ct Soft Chews**

**100% MONEY BACK  
GUARANTEE**

# Joint Health

## Advanced Formula

- ♥ Increases Activity\*
- ♥ Assists in maintaining joint flexibility
- ♥ Specifically formulated to support healthy hip & joint function
- ♥ Helps alleviate aches & discomfort associated with daily exercise
- ♥ Helps support structural joint integrity and connective tissues

\* In a 70 dog study, dogs on Joint Health Advanced Formula had 2.6 greater odds of showing an increase in activity after 25 days compared to dogs on a placebo. Results may vary.
